Definitions

1. personal data - any information regarding an identified or identifiable natural person; an identifiable person is that person who can be identified, directly or indirectly, in particular, by reference to an identification number or to one or more factors specific to his physical, physiological, mental, economic, cultural or social identity;

2. processing of personal data - any operation or set of operations performed on personal data, by automatic or non-automatic means, such as collection, registration, organization, storage, adaptation or modification, extraction, consultation, use, disclosure to third parties by transmission, dissemination or in any other way, joining or combining, blocking, deleting or destroying;

3. storage - storing on any kind of personal data collected;

4. system of records of personal data - any organized structure of personal data, accessible according to certain criteria, regardless of whether this structure is organized in a centralized or decentralized way or is distributed according to functional or geographical criteria;

5. operator - any natural or legal person, of private or public law, including public authorities, their institutions and territorial structures, which establishes the purpose and the means of processing personal data;

6. third party - any natural or legal person, under private or public law, including public authorities, their institutions and territorial structures, other than the data subject, the operator or authorized person or the persons who, under the direct authority of the operator or person authorized, they are authorized to process data;

7. recipient - any natural or legal person, under private or public law, including public authorities, their institutions and territorial structures, to whom data are disclosed, regardless of whether or not it is third party; the public authorities to whom data are communicated within a special investigative competence will not be considered as recipients;

8. anonymous data - data that, due to the specific origin or method of processing, cannot be associated with an identified or identifiable person;

9. "business contact" data - data that includes the name, position, business address, telephone number or e-mail address of an employee of an organization, as such. Business contact data does not fall into the category of personal data;

10. statistical data - data that have been obtained as a result of the processing by the operator of personal data but which cannot be used to identify a person and are used exclusively for statistical purposes and / or for information, promotion.

Collection of personal data

Engleza-Online.com.ro may collect personal data from you but only with your consent and if you provide it to us voluntarily. The registration form presented on the Platform requires information through which you can be identified or through which we can contact you, these being from the category of business contact data. We use personal data collected for the following purposes:

- To ensure that the web page is relevant to your needs.
- To deliver services and educational content requested or purchased.
- To help us create and publish content that is most relevant to you.
- To ensure access to sections with limited access to the platform. Engleza-Online.com.ro collects information and processes them into statistical data about what pages you access inside the Platform, including the IP address from which access is made. Engleza-Online.com.ro may use cookies, temporarily storing personal data for the following purposes:
 - To improve access security.
 - To improve usability and provide you with the best service.

In different sections of the Platform there are links to contact us by e-mail. Your email address is used to send you a reply and your message is retained for future reference should you decide to contact us again. Your e-mail address and the provided name fall into the category of "business contact" data and Engleza-Online.com.ro will be able to use them, including sharing them with third parties, based on your acceptance. HPM may disclose personal data to third parties if required by law or in cases of good faith where such actions are necessary to: (a) comply with the law; (b) protecting and defending the property rights of Engleza Online SRL, or (c) acting in emergency circumstances to protect the personal safety of employees, users of products or services, or public persons. When we are asked to provide personal data or we are allowed to do so, only those data necessary to fulfill the object of the request will be revealed. English Online SRL does not sell, exchange or rent personal data to third parties. Personal data may be disclosed without your consent in the case of litigation / disputes regarding online fraud, to the authorized institutions. By continuing the online transaction through Engleza-Online.com.ro, you expressly express your consent regarding the processing of personal data in the computerized record system by SC Engleza Online SRL.

Use of statistical data and anonymous data

Engleza-Online.com.ro may use the statistical data or the anonymous data resulting from the processing as an operator for the following purposes:

- carrying out analyzes / reports;
- generating information;
- publishing, promoting, offering the products / services offered by HPM.

Security of collected data

Engleza-Online.com.ro uses security methods and technologies, in conjunction with policies applied to employees and working procedures, including control and audit, to protect personal data collected in accordance with the legal provisions in force.

The servers on which the Platform is hosted are protected by physical access and at a limited distance, being installed in appropriate technical and security enclosures. We make all reasonable efforts, commercially justified to protect your personal data collected, analyze the new technologies in the field and, if necessary, apply them for periodic updating of our security systems. Also, the hardware and software infrastructure used by the English-Online.com.ro solution, is periodically analyzed by security.

The enforcement of this Privacy Policy

If you have any questions regarding the Privacy Policy or you wish to be informed about the personal data processed by Engleza-Online.com.ro and which concern you directly, please contact us.

The Use of Terms and Conditions

Please also access the use of Terms and conditions that also apply to your access / visit to the Site.

Legislation

The privacy policy is subject to the Romanian legislation. In case of a dispute, an amicable settlement will be tried first, within 30 working days from the registration of the complaint at SC Engleza Online SRL headquarters. If no agreement can be reached within the term specified above, the competent court will be considered competent from the same administrative structure with the headquarters of SC Engleza Online SRL.
